Build a better community in North Fulton through Rotary

Our goal this year, as in every year, is to continue to provide the much needed support for charities that are right in our own backyard – the people within the North Fulton community.

The Rotary Club of North Fulton was started in 2000 and today we average 35 active members representing business and civic leaders from our community who are dedicated to the needs of the North Fulton area as well as world-wide service through Rotary International.

This year we are proud to present our fund-raising event of the year - the 10th Annual “Concert in the Park” featuring the Swingin’ Medallions. It will be held on Thursday night, October 7th at Wills Park in Alpharetta. Save the Date! This annual event raises over \$75,000 Annually! We are only able to achieve this with the generous support of people like YOU. Most importantly, we have used all these proceeds to support our community needs including:

- The Child Development Association
